

INNOVATIVE SEALING SOLUTIONS WITH TRADITION

A Legacy of Innovation and Quality: Your Trusted Partner Since 1879

At KLINGER A. W. Schultze, a proud part of the KLINGER Group, we blend traditional values with cutting-edge technology. Our journey began in 1879, founded by August Wilhelm Schultze, and since then, we have evolved into a leading expert in sealing technology. From our early days as a rubber goods factory to our current status as an innovative solutions provider, we have consistently prioritized quality, reliability, and innovation.

Tradition & Experience

Over 140 Years of Expertise in Sealing Technology

Customized Solutions

Whether it's a standard product or a custom-made item, we find the optimal sealing solution for your specific needs.

At KLINGER A. W. Schultze, we understand that every application is unique:

Our tradition of manufacturer-independent consulting has remained unchanged even after the acquisition by KLINGER in 2004. Since our founding in 1879, we have made it our mission to find the right solution for every specific challenge, regardless of the manufacturer. This philosophy has helped us to develop profound expertise and a comprehensive understanding of the diverse needs of our customers.

Our goal is to not just supply products, but to offer customized solutions that meet the individual requirements of each application.
