

Trade name: ®SIGRAFLEX STANDARD

printed: 07.09.2007

revised: 29.08.2007

1. Identification of the substance/preparation and company

Product details:

Trade name:

®SIGRAFLEX STANDARD

Application: Material for large segmented gaskets

Producer / supplier details:

Producer/supplier:

SGL TECHNOLOGIES GmbH

Werner-von-Siemens-Str. 18

Phone: +49-8271-83-0

D-86405 Meitingen

Fax: +49-8271-83-2127

Information providing division:

SGL TECHNOLOGIES GmbH - Meitingen plant

Werner-von-Siemens-Str. 18

Phone: ++49-8271-83-2276

E-mail/MSDS: hubert.malik@sglcarbon.de

D-86405 Meitingen

Fax: ++49-8271-83-2419

Information in case of emergency:

SGL TECHNOLOGIES GmbH - Meitingen plant

Phone: ++49-8271-83-1200

Fax: ++49-8271-83-2466

2. Possible Hazards

Information on particular hazards to human and environment:

None.

3. Composition/information on ingredients

Chemical characteristics:

Product/material based on graphite with < 4 % hardened furan resin.

Hazardous ingredients:

No ingredients classified hazardous acc. to 67/548/EEC.

Additional information:

None.

Trade name: ®SIGRAFLEX STANDARD

printed: 07.09.2007

revised: 29.08.2007

4. First aid measures

General information:

None.

On inhalation:

In case of inhalation of greater quantities of dust, take affected person to fresh air. (If dust occurs during machining).

On contact with skin:

Wash skin with water and soap after work.

On contact with the eyes:

Rinse with plenty of water.

If swallowed:

Drink water.

Particular advices for the physician:

None.

5. Fire-fighting measures

Suitable extinguishing media:

Foam, sand, carbon dioxide, dry powder, water spray jet.

Unsuitable extinguishing media, for safety reasons:

Direct water spray jet.

Particular risks arising from the substance, its preparation, its products of combustion or formed gases:

Dust may glow in oxygen-containing atmosphere above 350°C. During glowing and in case of fire CO/CO₂ and organic compounds are generated.

Special protection equipment needed for fire-fighting:

None, in case of insufficient ventilation use respiration equipment (against CO/CO₂).

6. Measures in case of accidental release

Personal precautions:

If dust occurs during machining use protective mask (P1).

Trade name: ®SIGRAFLEX STANDARD

printed: 07.09.2007

revised: 29.08.2007

6. Measures in case of accidental release (continued)

Environmental precautions:

None.

Methods for cleaning/removal:

Remove mechanically.

Additional information:

None.

7. Handling and storage

Handling:

Advice on safe handling:

None.

Advice on protection against fire and explosion:

None, if handled properly.

Storage:

Requirements on storage areas and tanks:

None.

Advice on storage assembly:

None.

Additional information on storage conditions:

None.

Storage class:

Not classified.

8. Exposure limitations and personal protection equipment

Measure for limitation and monitoring the exposure:

During machining and dust occurrence take care for good ventilation resp. for suction of the area of activity.

Additional advice on the design of technical equipment:

None.

Trade name: ®SIGRAFLEX STANDARD

printed: 07.09.2007

revised: 29.08.2007

8. Exposure limitations and personal protection equipment (cont.)

Ingredients with occupational exposure limits to be monitored:

CAS-No.	Name of substance	Type	Value	Unit
None				

Additional advices:

None.

Personal protective equipment:

General protective and hygiene measures:

None.

Respiratory protection:

Dust protective mask (P1), if dust occurs.

Hand protection:

None.

Eye protection:

Safety glasses, if dust occurs during machining.

Body protection:

None.

9. Physical and chemical properties

Appearance:

Form: solid
Colour: grey/black reflectant
Odour: none

Data relevant to safety:

Parameter	Value/range	Unit	method
Softening point:	inapplicable		
Boiling point/range:	inapplicable		
Melting point/range:	inapplicable		
Flash point:	inapplicable		
Ignitability:	inapplicable		

Trade name: ®SIGRAFLEX STANDARD

printed: 07.09.2007

revised: 29.08.2007

9. Physical and chemical properties (continued)

Data relevant to safety:

Parameter	Value/range	Unit	method
Ignition temperature:	inapplicable		
Self ignitability:	none		
Inflammable properties:	none		
Explosive risk:	none		
Explosion limits	upper:	inapplicable	
	lower:	inapplicable	
Vapour pressure	at 20°C:	inapplicable	
Density	at 20°C:	appr. 0.1-1.3	g/cm ³
Solubility	at 20°C:	none (in water)	
pH-value:		4.5 - 7	
Partition coefficient: n-octanol/water		inapplicable	
Viscosity:		inapplicable	
Additional information:		none	

Remarks:

10. Stability and reactivity

Conditions to be avoided:

None.

Contact with substances to be avoided:

None.

Hazardous decomposition products:

None, if handled in accordance with description.

Additional information:

Carbonisation of the hardened furan resin above 250°C.

11. Toxicological information

No toxical data available.

Trade name: ®SIGRAFLEX STANDARD

printed: 07.09.2007

revised: 29.08.2007

12. Ecological information

No ecological data available.

13. Disposal consideration

Product/preparation:

Disposal in accordance with EC directive 91/692/EEC.

Contaminated packing material:

Disposal in accordance with EC directive 91/692/EEC.

14. Transport information

No hazardous material as defined by the transport regulations.

15. Regulatory informations

Labelling according to EC regulations:

Code-letter and hazard-symbol for the product:

No subject to mandatory marking.

Hazardous ingredient(s) relevant for labelling:

None.

R-phrases:

None.

S-phrases:

None.

Safety assesement:

Safety assesements for substances in this preparation have not been performed.

National regulations:

Additional classification acc. to GefStoffV (D) Appendix II:

None.

Trade name: ®SIGRAFLEX STANDARD

printed: 07.09.2007

revised: 29.08.2007

15. Regulatory informations (continued)

Regulations for handling restrictions:

None.

Hazardous industries directive:

None.

Classification acc. to BetrSichV (D):

None.

Technical guideline "TA-Luft" (D):

Not applicable.

Hazard classification for water (D):

Not dangerous for water. VwVwS annex 1, art.-No. 801.

Other regulations, restrictions and prohibition regulations:

None.

16. Other information

Other information:

None.

Safety data sheet providing division:

Meitingen plant / Safety & occ. health division

Person to contact:

Dr. R. Meyer zu Reckendorf Phone: ++49-8271-83-1512
